

KIMBERTON AREA LIONS CLUB

On **Wednesday May 13, 2015**, in conjunction with the Dogwood Festival, the Kimberton Area Lions Club will be hosting **KIDSIGHT**, a Lions' vision screening program for pre-school children.

The screening will take place between the hours of **6:00 PM to 8:30 PM** at the **Parkside United Church of Christ** on the corner of Main Street and Third Avenue in Phoenixville, across from the Dogwood Festival location (Reeves Park) and will be conducted by trained specialists.

This is a free service provided by the Kimberton Area Lions Club.

What is KidSight

KidSight is an initial screening program for eye problems in preschool children. If a screening reveals a potential issue, the child should be referred to an appropriate eye care professional. Children are screened for lazy eye and possible depth
