

Christmas in July

Most everyone knows that spending money locally is a good thing.

We want to help you understand why and how much impact you have when you shop and buy locally.

In celebration of shopping small, we are running this fun passport program. Grab a passport, make purchases at your favorite participating locations, and win!

We encourage shopping small all year, and invite you to especially consider Phoenixville this upcoming holiday season!

From July 24th to July 31st ask the merchant to write in your total and provide their initials and business name.

Collect 5, and drop off passport at the Phoenixville Chamber office (171 E Bridge Street) to be eligible for cool prizes including a \$250 shopping and dining package to shops in downtown Phoenixville. Winners will be selected the week of August 1st - 8th.
