COMMUNITY BBQ

The annual Phoenixville Area School District Community Cookout is back! Each year over 3500 children, families, and neighbors attend this free community barbeque to kick off the school year and celebrate our community. Following the cookout is a free football game honoring our military and first responders. This event offers you a unique opportunity to market within our community and support this family-friendly event.

This year, we are thrilled to include an opportunity to meet our new superintendent, Melissa "Missy" McTiernan! We will also feature live music, games and activities, and a whole lot of Phantom Spirit to welcome Ms. McTiernan to our community.

While our standard sponsorship opportunities are outlined below, we welcome you to reach out to us with a budget and the type of marketing you are most interested in, and we will work with you to create something customized.

Sponsorship Opportunities
