

The Historical Society of Phoenixville Area invites you to support our Capital Campaign fundraiser for Phase 2. Our goal is to raise 125K to complete making our building ADA accessible. This past year we raised 830K to add an elevator, upgrade electrical systems, add HVAC to protect our archives, and redo the upper-level sanctuary into a first-class museum. Now we need your help to complete Phase 2.

We have partnered with the Theatre Organ Society of Delaware Valley for an organ concert at the Colonial Theatre with special guest, Kate Bilo CBS Meteorologist, that will marry music and Phoenixville History on 9-15-2024 at 2pm. Images of various decades will show then and now photos with organ music to match the era of the photo. We offer several sponsorship levels to fit all budgets. Please be as generous as possible so we can continue our momentum and complete Phase 2.

Donation Level	Funding Amount	Free Tickets	Additional Benefits
Presenter	\$3,000 (+)	10	Advertising at the event on a Placard or poster Included in all advertising Name in the program Access to private reception in Garden Suite
Platinum	\$1,500 to \$2,999	5	Advertising at the event on a Placard or poster Included in all advertising Name in the program Access to private reception in Garden Suite
